What is T2 Diamond?

T2 Diamond is a high-level bi-seasonal table tennis tournament that held twice a year. The tournament is an invitation only tournament that hosts only the top 16 players in the world. This year, the tournament has been held in Malaysia in July and will be held in Singapore in November. The stakes for this season's tournament are high with top players from all over the world such as China as they vie for points to qualify for the Olympics.
