Music Video "ARGENT GLASS ft. CHAR"(2022) from Mickie Yoshino's new album 「Keep On Kickin' It」 , which is a startling and evocative experimental short video about a failed musician (Shinsuke Kato) who smashes a prized glass on his tatami mat before driving off into the night.

Cast: Shinsuke Kato

Music by: Mickie Yoshino (Godiego, The Golden Cups)

Produced by: Kameda Seiji

Featuring artist: Char

Guest artists: Eddie Han (Chorus) / Hama Okamoto (OKAMOTO'S) (Bass) / Nobuaki Kaneko (Drums)

Director's vision – of glass that can be easily broken, remelted and reformed again and again into new shapes, but never the same as before – was striking and brought additional depth to a song about the despair of lost love.
