

The Fashion Pact's shared targets:

Climate change:

Achieving 100% renewable energy across own operations by 2030.

Ensuring that 25% of key raw materials have lower climate impact in 2025.

Biodiversity:

Developing individual biodiversity blueprints, research and capacity building.

Supporting zero deforestation and sustainable forest management by 2025.

Ocean protection:

Eliminating problematic and unnecessary plastic in B2C packaging by 2025 and B2B by 2030.

Ensuring at least half of all plastic packaging is 100% recycled content, by 2025 for B2C and by 2030 for B2B.
