

QUICK EQUITY/DERIVATIVES COMMENT

Deep insight of Japan cash equity and cross asset derivatives market

QUICK, a subsidiary of Nikkei, Japan's largest business media group, produces high quality financial market news in real-time. In-depth coverage provided in Equity Comment and Derivatives Comment are now accessible in Eikon as a fee-liable add-on. Both news services give the pulse of the Japan market helping Japan equity and derivatives investors to make optimal decisions.

Overview

QUICK Equity Comment covers multiple dimensions of the Japan cash equity market. Articles are written by market experts to provide unparalleled depth and breadth. QUICK Derivatives Comment covers exchange traded derivatives with news and live voices from market participants. Both news services can support Japan market investors in building portfolios and developing trading strategies.

Support your decision making process

QUICK Equity Comment and Derivatives Comment are broadly used by professional investors and traders in Japan. Now accessible in Eikon, the service reduces the information gap between investors regardless of location providing timely and in-depth insight to assist in portfolio selection and development of trading ideas.
