- **“PLAY TRUE Relay” – TRUTH in Sport, TRUTH in ME:**

The legacy project, firstly relayed in 2014, engaged a wide range of athletes of different countries, sport and generations to leave their “true messages” found in sport as legacy, embracing the world and the future. The PLAY TRUE Relay is to relay the actual *Makimono* (a Japanese scrolled paper), the only *Makimono* inscribed with the athletes’ truth. The interview aims to encourage people to discover the intrinsic values of sport or the values realised through sport from reading and experiencing the athletes’ true message. Athletes’ interviews are available on the project website.
