

About Bunshi Lab

**Bunshi Mask**

**Bunshi Lab**

Bunshi Lab is a company that produces the “Bunshi Mask” in Japan. Based on the concept of delivering high-quality products to all people ranging from sensitive individuals to those people with special circumstances, Bunshi Lab will continue to make products with sincerity. The company created the Bunshi Mask while pursuing what customers truly want under the current complex situations.

About Indiegogo

**INDIEGOGO**

Indiegogo is one of the world’s largest “purchase type” crowdfunding platforms, attracting about 18 million people a month from 237 countries and regions. Project executors can raise funds from around the world through the platform, and in return for the funding, they voluntarily provide supporters with finished products, pieces of work, and so on.
